We want you to enjoy a little more for being a member at Mounties Group. It's all about rewarding you your way, any way you choose across all services – Hospitality, Health, Leisure and Education.

All members are eligible to be a part of Mounties Rewards, all you have to do is join and start using your membership card every time you drink, dine, play, stay and shop.

Mounties Rewards is made up of 6 tiers. The number of Tier Qualification Points you earn will determine your tier and the benefits you are entitled to.

Every time you use your card you can earn Tier Qualifying Points (TQPs) that help you on your way to the next tier. **This includes food & beverage, health and medical*, leisure and gaming machine play.**

On the first day of each month members who qualify for a higher tier are moved up to their new level and can begin to enjoy the benefits of their new tier.

Every six months we conduct a review and members that do not maintain TQPs for their current level will be moved down one tier level. You will receive notification if you move down a tier.

POINTS WITH POWER

Use your membership card every time you visit a Club, Holiday Resort, Medical Practice* or Health & Fitness Centre and you will be rewarded.
